

PIEE Solicitation Module Instructions

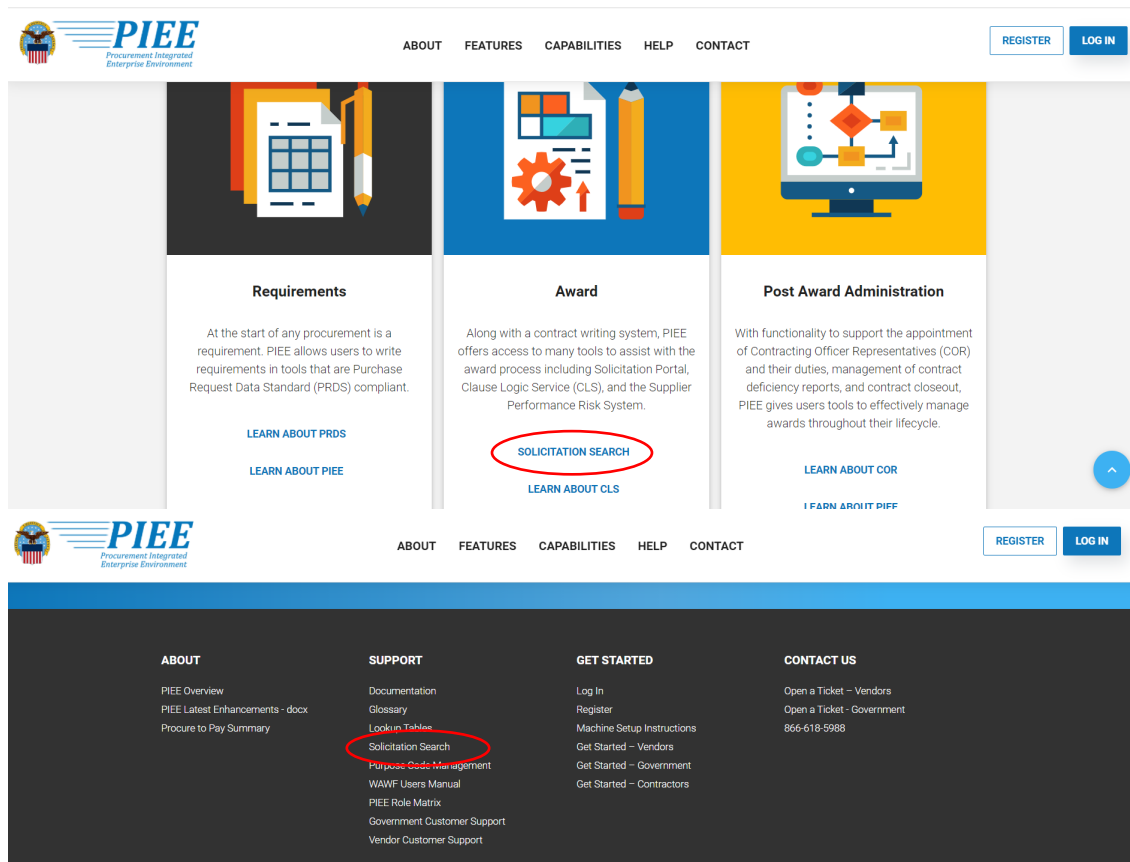

The Solicitation Module is a vendor portal for solicitations within the Procurement Integrated Enterprise Environment (PIEE) platform to automate and secure the process for capturing solicitations, attachments, and responses from industry.

The Solicitation Module allows vendors to respond to solicitations and communicate directly with Solicitation Managers in a secure environment.

Overview of PIEE Solicitation Module:

All Vendors can view solicitations in the Solicitation Module at <https://piee.eb.mil/> by selecting “SOLICITATION SEARCH” in the Award section or “Solicitation Search” under the SUPPORT section at the bottom of the page.

Vendors choosing to submit an offer/proposal in the Solicitation Module must register in PIEE and submit a request for the Proposal Manager role.
